

The background is a dark blue color. It features several white, thin, geometric lines that form abstract shapes and patterns. These lines are scattered across the page, with some forming larger, irregular polygons and others being shorter segments. The overall effect is a modern, minimalist aesthetic.

**PIXEL NATION**

STUDIO 18 PROPOSAL

# OVERVIEW

**Pixel Nation are Virtual Production Experts, specialising in global, virtual studio and streaming services.**

**Taking the world by storm, creating custom-designed unreal virtual environments and bringing speakers from all over the world, together like never before.**

**Managing spectacular productions and collaborations with clients and studios, this one-stop Hub provides the creativity, production and technical know-how to create bespoke experiences around the globe.**

**Custom built green screen studio enabling presenters to walk within and engage with consumers from a virtual stage environment.**

**Executing our virtual events in the same manor in which we execute our live events, in terms of playback, front-of-house (FOH) functionality and specialty. This is now matched with the limitless & spectacular virtual animation opportunities.**

# STUDIO 18

1. INFINITE GREEN SCREEN  
3x4m

2. INTERNET & WIFI BACKUP  
Using a WAN smoothing bonding solution that minimized dropouts and packet loss.  
This solution uses 2 complete separate ISP Providers with failover capabilities.  
Dedicated Wi-Fi available to our clients whilst in studio.

3. BOARDROOM FACILITIES

4. ONSITE KITCHEN

5. DRESSING ROOM

6. GENERATOR BACKUP

**“We are incredibly proud to say that we are a member of the SRT Alliance, consisting of a group of companies who deliver to the highest standards the world of streaming can offer.”**

**—PIXEL NATION**

**We offer our very own green screen environment enabling presenters to walk within and engage with consumers from a virtual stage environment.**

**A dedicated technical team focusing on bringing your message to life in a seamless, intelligent and creative manner.**

**We have a dedicated graphics team who build each environment to your needs and specifications and bring your brand communication to life.**

**A dedicated production team working to ensure that all your deliverables and requirements are met.**
